

## Girls Hockey Camp

Hello Parents,

We are very excited to welcome your daughters to the 3rd annual Temiskaming Shores Rhinos Girls Hockey Camp from Monday, August 20 to Thursday, August 23. We have some great activities planned, and we know the girls will have lots of fun while improving their hockey and general athletic skills.

Please be advised that we will be providing snacks and meals during the week. For morning snack, we will be providing individually bagged snacks with fresh fruit, cheddar crackers and granola bars. Lunch will be provided each day by Roosters. Each morning, the girls will have the opportunity to order from a basic menu. This will allow the restaurant staff to serve our groups quickly and help to avoid wasted food.

The girls will need to bring running shoes and their own water bottle to camp. It will be important for them to keep their water bottle with them during the ice times and off-ice activities.

Please note the oldest group will hit the ice first in the mornings, so these girls should arrive early enough to be on the ice by 9 am. Girls in the other two groups can arrive anytime after 8:15, but activities will not begin before 9. We have plenty of female junior instructors who will help the girls with equipment and skates in the locker room. We welcome the parents of girls in our youngest group to assist with equipment as well, but your support is certainly not required. Girls playing major atom, peewee, and bantam this year will be in different locker rooms and will be expected to be more independent in getting their equipment on, but helpers will be on hand to assist and tie skates.

The girls will be receiving a camp t-shirt and jersey. In the past, we have tried to deliver these items before camp so the girls have them to wear on the first day, but with everyone's summer schedules this has proved challenging. If you would like to receive these items early, you can send me a text at 705-676-7936 to arrange pick up. Otherwise we'll have them ready for the girls on the first day.

Here is a [link to the schedule](#) for the week. Please note the girls will be organized by birth year (Column A). There will be six 2007s in the middle group. If your daughter played house league last year or is new to hockey this year, she will be included in that middle group.

We can't wait to see you on Monday, August 20! Please allow time to complete our short liability waiver. If you have any questions, please do not hesitate to inquire with me. See you then!

Thanks,  
Coach Dave
